HARRODS CREEK FIRE PROTECTION

****VERY IMPORTANT**** Last June, the Glenview newsletter discussed how the Glenview Commission first learned in mid-April that the Board of the Harrods Creek Fire Protection District ("HCFPD") voted, without what we consider to be adequate prior public notice and input, to merge HCFPD, Eastwood Fire Protection District and Worthington Fire Protection District with and into Anchorage-Middletown Fire & EMS ("Anchorage Middletown"). Although the Glenview Commission submitted letters objecting to the merger for several reasons (as discussed in the June newsletter), the merger was approved by Mayor Greg Fischer effective as of July 1st .

A primary interest of the Glenview Commission is to obtain professional and timely Fire/EMS service for Glenview residents. We have opposed the merger due to our belief that the level of public notification of the merger was inadequate and unacceptable, Glenview's representation on the new Board will be diluted, taxes will increase (your fire property taxes increased by 40% last year and we understand that they will be increasing again this year with the merger), there will be no benefit to our residents, and Anchorage Middletown as the surviving fire protection district will assume considerable debt incurred by fire protection districts other than HCFPD. Your Commissioners felt that we, Glenview residents, have been neglected by HCFPD ever since they quietly closed the River Road / Lime Kiln Ln fire station several years ago without warning or notice to residents; the merger appears to be more of the same, -- taking action without adequate communication to residents. After Anchorage Middletown denied our complaints that the fire protection districts violated the Open Meetings Act on several occasions, we appealed to the State Attorney General who issued a decision with what we see as four out of five issues decided in our favor, including that there were violations of the Act. Due to interlocal agreements

between fire protection districts, Glenview is covered by Anchorage Middletown with St. Matthews Fire Protection District responding as well. Should you want more information regarding this issue, please feel free to contact Commissioner Tafel at 502.376.1083 or nantafel@gmail.com

AMENDED BUDGET ORDINANCE.

Ordinance No. 3 Amends our Budget for Fiscal Year 2018-2019 (our fiscal year runs from July 1 – June 30.) We adjusted the "Fund Balance Carried Forward" from $664,848 (originally estimated) to $723,787 (actual). This is a positive increase of $58,939. We also increased the General Government Appropriation by $6,000 from $144,000 to $150,000. This was done to cover additional expenditures during the fiscal year. Actual expenditures totaled $146,158.66.

GLENVIEW UPDATE

SPEEDING

Now that the weather is nice, people are out walking, running and cycling. Please drive carefully and be mindful of this by obeying the posted speed limit throughput the city. I have received several complaints about speeding in the city. If this problem continues – the City will have to consider more permanent traffic control devices.

SAVE OUR TREES

One of the many nice things about Glenview is our greenery. Many of our trees are in jeopardy due to an overgrowth of vines climbing up their trunks and smothering the leaves. This will ultimately kill the trees. Please check out the trees on your property and cut the vines at the base of their trunks. The vines will turn brown and soon fall off. Act now before it's too late.

RESIDENTS - please have a conversation with your lawn services, contractors, and any other service personnel to **** WATCH THEIR TRAILERS!!!!!!**** Our islands and curbs are being torn up, rutted and left a mess by trucks and trailers not making an adequate turn at entrances and on cul-de-sacs. This costs money to repair the messes and keep the City looking its best.

WEBPAGE

Please be sure and check the City of Glenview webpage for information, and the latest about things happening in the City.
